Patient Assistance Program (PAP): Patient to complete only if requesting PAP

Uninsured and eligible Medicare patients who are prescribed NUCALA may be eligible for the GSK Patient Assistance Program (PAP). To find out if you qualify, please fill in the information below.

Annual pretax household income: Number of family members living in household:

PATIENT TO COMPLETE

Medicare Beneficiary Identifier (MBI):

Applicants authorize the GSK Specialty PAP and its administrators to obtain a consumer report. The consumer report, and the information derived from public and other sources, will be used to estimate income as part of the process to decide eligibility to receive free medication from the GSK Specialty PAP. Upon request, the GSK Specialty PAP will provide applicants with the name and address of the consumer reporting agency that provides the consumer report. The program may request additional documents and information at any time, even after enrollment, to determine if the information on the enrollment form is complete and true. For additional questions about eligibility, please contact the Gateway to NUCALA.

Bridge to NUCALA provides free product for eligible commercially insured patients when the PA request has been pending with the payer in accordance with program rules and when other program eligibility criteria have been satisfied. Providers may not seek reimbursement for any free product provided under this program, and they acknowledge that the program does not include payment for administration fees.

Prescriber Declaration: I certify that the information provided above is true and that NUCALA is being prescribed for the patient listed above. I hereby certify that, for any insured patient seeking co-pay assistance under the Co-pay Program, in the absence of financial support from such program, any applicable co-pay, coinsurance, or other out-of-pocket cost for NUCALA would be collected from the patient upon treatment. I appoint the Gateway to NUCALA, on my behalf, to convey this prescription to the dispensing pharmacy, to the extent permitted under state law. **Special Note:** Prescribers in all states must follow applicable laws for a valid prescription. For prescribers in states with official prescription form requirements, please submit an actual prescription along with this enrollment form. Prescribers may need to submit an electronic prescription to the Specialty Pharmacy.

SUBSTITUTION PERMITTED	**(Date)**	**DISPENSE AS WRITTEN***	**(Date)**

What happens next?

1.

We contact your insurance

We will investigate your benefits and help you understand your coverage options for NUCALA. Typically, it takes about two business days for application processing.

2.

We will contact you

A representative will call you to help you understand your plan's current coverage, out-of-pocket costs, and financial assistance options (if eligible). A summary of this benefit information will be sent to you and your healthcare provider. The information provided by the Gateway is not a guarantee of coverage.

What's next?

Look out for a phone call. You may not recognize the number, but it could be a call about your prescription.

Call your doctor. If you don't hear anything within the next two weeks, **contact your doctor's office to check on the status of your prescription.**

Optional: MyNUCALA Support

3.

MyNUCALA offers patient services to help you begin and continue treatment with NUCALA. If enrolled, a healthcare professional* from the MyNUCALA Nurse Support Line will call you. The Support Line will get you on your way by answering questions you may have about NUCALA.

Give them a call: 1-844-4-NUCALA (1-844-468-2252)

*MyNUCALA personnel do not give medical advice. You will be directed to your healthcare provider for any disease, treatment, or referral-related questions.

MyNUCALA Support Consent:

By providing your name, address, email address, and other information including your indication below you are giving GSK and companies working for or with GSK permission to contact you for marketing, market research, or advertising purposes, or to invite you to interact with GSK in other ways across multiple channels (eg, mail, email, websites, online advertising, applications, and services), regarding the medical condition(s) in which you have expressed an interest, as well as other health-related information from GSK. GSK will not sell or transfer your name, address, or email address to any other party for their own marketing use.

My indication (select all that apply)

- ☐ Severe Asthma
- ☐ Chronic Rhinosinusitis with Nasal Polyps (CRSwNP)
- ☐ Eosinophilic Granulomatosis with Polyangitis (EGPA)
- ☐ Hypereosinophilic Syndrome (HES)

For additional information about how GSK handles your information, please see our privacy notice at https://privacy.gsk.com/en-us.

Email address:

You are encouraged to report negative side effects of prescription drugs to the FDA. Visit www.fda.gov/medwatch or call 1-800-FDA-1088.

Questions? Call 1-844-4-NUCALA (1-844-468-2252).
Representatives are available Monday - Friday, 8AM to 8PM ET.

PATIENT AUTHORIZATION AND RELEASE TO COLLECT, USE, AND DISCLOSE HEALTH INFORMATION

By signing this form, **I agree** to allow my doctors; pharmacies, including my Specialty Pharmacy(ies); and health insurers (collectively "Healthcare Providers") to use and disclose my health information to GlaxoSmithKline and its agents, authorized representatives, and contractors (collectively "GSK") so that GSK can use and disclose my health information for purposes of providing Gateway to NUCALA services, which may include the following activities:

1) Communicating with my Healthcare Providers about my NUCALA prescription and medical condition;
2) Investigating and resolving my insurance coverage, coding, or reimbursement inquiry, or reviewing my eligibility for GSK's patient assistance and co-pay assistance programs;
3) Contacting my insurer, other potential funding sources, and/or patient assistance programs on my behalf to determine if I am eligible for health insurance coverage or other funds;
4) Contacting me to offer (and, if I am interested, provide) optional educational services offered by healthcare professionals; and
5) Disclosing my information to third parties if required by law.

By signing this authorization, **I acknowledge** my understanding that:

- My Healthcare Providers will not and may not condition my treatment, payment for treatment, eligibility for or enrollment in benefits on whether I sign this Patient Authorization.
- Certain Healthcare Providers, such as Specialty Pharmacies, may receive payment from GSK for disclosing my information to GSK as permitted by this authorization.
- Once information about me is released to GSK based on this authorization, federal privacy laws may no longer protect my information and may not prevent GSK from further disclosing my information. However, I understand that GSK has agreed to use or disclose information received only for the purposes described in this authorization or as required by law.
- This authorization will remain in effect for two (2) years after I sign it (unless a shorter period is required by state law) or for as long as I participate in the Gateway to NUCALA Program, whichever is longer.
- I have the right to revoke this authorization at any time by mailing a signed written statement of my revocation to P.O. Box 5490, Louisville, KY 40255, but that such a revocation would end my eligibility to participate in the Gateway to NUCALA program. Revoking this authorization will prohibit further disclosures by my Healthcare Providers based on this authorization after the date written revocation is received but will not apply to the extent that they have already taken action in reliance on this authorization. After this authorization is revoked, I understand that information provided to GSK prior to the revocation may be disclosed within GSK to maintain records of my participation.
- I understand that I, as the patient or signer, have a right to receive a copy of this signed form.

The patient, or the patient's authorized representative, MUST sign this form to receive Gateway to NUCALA services. If an authorized representative signs for the patient, please indicate relationship to the patient.
